Find the real alternative to plastics

14 – 15 November 2019,
Maternushaus, Cologne, Germany

www.biocompositescc.com
Innovation Award
“Biocomposite of the Year 2019”

Looking back to the success of last year’s winners
Werzalit GmbH & Co. KG (DE): terraZa®
2017: Still successful today
WPC Innovation Award 2009

No 1: STAEDTLER Mars GmbH & Co. KG (DE): The first Pencil made from WOPEX® – The reinvention of the pencil

Winner of several awards & great markets success in Europe and US

No 2: Hiendl GmbH & Co. KG (DE): Assembly profile system
WPC Innovation Award 2013

No 1: RENOLIT COMPOSITES (DE): RENOLIT GORCELL
 thermo-formable WPC sheets

No 2: Kappes Environmental Technology Co., Ltd. (CN):
 ECOLIFE® – Planet Protecting Profiles

WHAT HAS BEEN HAPPENING SO FAR
2007: Foundation
2008: Patent
2008–2012: Development of ECOLIFE® in Germany and Austria
2012: Certification on PR China
2016: Start of Production and Market Entry in China
Winners of “The Wood and Natural Fibre Composite Award 2015”

Onora BV (NL):
Bio-based Coffin in Infection Moulding Technology

Millvision BV (NL)
Biocomposite with Agro Rest Fibers

Aqvacomp Oy & Flaxwood (FI)
Cellulose Fibre reinforced Polystyrene for Music Instruments
Nominees for “The Biocomposite Award 2017”

- TU Eindhoven (NL)
- Raimund Beck Nageltechnik GmbH (AT)
- BASF SE & Sonae Arauco Deutschland AG (DE)
- G.S. Stemeseder GmbH (AT)
- OWI GmbH (DE)
- GreenBoats (DE)
Winners of “The Biocomposite Award 2017”

Green Boats (DE) – GreenBente24

Raimund Beck Nageltechnik GmbH (AT) – LignoLoc®

Eindhoven University of Technology (NL) – Pedestrian Bridge
